Tailored Solutions for Your
*BUSINESS
VISION*

WeSquare offers adaptable spaces designed to meet your unique business needs, combining creativity and functionality.

The dual-frontage design ensures prominent visibility and versatile usage options, making it perfect for retail, services, and more.

On the ground floor, double-volume ceilings create an expansive atmosphere, ideal for food and beverage outlets, showrooms, and boutique retail. The additional height allows for potential mezzanine expansion, maximizing space efficiency and flexibility.

Cross-Section View

An ultra-spacious,
flexible, open-plan layout
designed to empower any
business venture.

Spacious balcony to expand
your business vision,
functioning as an outdoor
venue for meetings and
corporate events.

Wide-glaze windows allow
ample natural light and
improved ventilation.

Ready-built mezzanine floor
for showrooms, breakrooms,
and storerooms increase
capacity and improve
organization.

Having frontage on two streets
allows for greater visibility to
potential customers, as they
can approach the shop from
either direction.

Dual-frontage offers
increased visibility and
accessibility, potentially
leading to higher foot traffic
and business opportunities.

Ideal for warehouses,
SMEs, logistics centers, co-working
spaces, showrooms, and more.
